Please arrange appointment.

Unfortunately, all of his appointments for tomorrow are fully booked. we do have a cancellation list, and sometimes patients cancel their appointments at the last minute. If you would like, I can put you on the cancellation list and give you a call if a spot opens up.

could you please check if there are any other available times

Dr. Joel has agreed to see you tomorrow at 9:00 am due to  
the urgency of your situation.

11:25am
